

Charlie Sheppy

Associate Vice President and Commercial Services Lead
MSD Animal Health

Charlie Sheppy's career in the animal nutrition sector spans 25 years and includes a range of leadership roles in marketing, supply chain and business development.

Prior to taking on his current role as Associate Vice President and Commercial Services Lead

for MSD Animal Health, Charlie served as Global Commercial Lead for the company's Technology Solutions business (formerly Antellia) that was acquired by MSD Animal Health in April 2019.

Earlier in his career, he held leadership roles at Finfeeds, Danisco Animal Nutrition and AB Vista. Charlie earned a degree in Agricultural Marketing from Newcastle University (UK), and received an MBA from Kingston Business School.
