

Tim Faveri

Vice President Sustainability & Shared Value, Maple Leaf Foods Inc.

Tim Faveri is a member of the Maple Leaf Foods Senior Management Forum and responsible for leading the company's sustainability initiatives and activities.

Maple Leaf Foods Inc is a carbon neutral company with a vision to be the most sustainable protein company on earth, responsibly producing food products under many leading brands. Maple Leaf Foods is headquartered in Ontario, Canada.

In his role, Faveri leads the development and execution of strategy and initiatives that deeply embed sustainability and shared value into Maple Leaf's culture and business. Sustainability and shared value provide the framework for Maple Leaf Foods purpose to Raise the Good in Food.

Faveri's many areas of expertise include sustainability strategy development and implementation, carbon management, corporate reporting / disclosure, stakeholder engagement, and supply chain and environment risk assessment and verification.

Prior to joining Maple Leaf Foods, Faveri was Director of Sustainability and Responsibility at Tim Hortons Inc. Before that at Deloitte, he led the Greater Toronto Area in Corporate Responsibility and Sustainability. Earlier in his career, Faveri was an Environmental Health Specialist for Proctor & Gamble.

Currently, Faveri sits on the Board of Directors of Stewardship Ontario. He holds a Bachelor's degree in Biology from Queen's University and a Master's of Health Science degree from University of Toronto and additional Executive Education certifications from both York University and Harvard Business School.
